

AUPM Tîrgu Mureş România

Alumni Association of Petru Maior University – AUPM is a non-profit, nongovernmental organisation aiming at facilitating connections between academic and the social, economic and cultural environment. AUPM intends to support the enhancement of sustainable development using new approaches that can boost innovativeness and competitiveness of organizations in the region through. Our 15 years of experience in project management, including our team of dedicated staff, collaborators and volunteers, lead us to acquire knowledge and expertise in different fields and domains. As networking is one of our main goal, we have partnered with many organizations: Chambers of Commerce and Industry from the Region, Universities, Research institutions, NGOs, Public institutions, and companies – especially SMEs.

Thought the Digitrans project AUPM developed an incubation space for participants of Workshops, as a role model of DIGITRANS regional incubators. The main stakeholder of incubation space in Tirgu Mures, Romania is Petru Maior University of Tirgu Mures. The university gave us the space and because of strong collaboration between AUPM and university is no additional rent to pay.

The incubation space in Tirgu Mures (RO), is space with three rooms, situated at semi-basement of Petru Maior University building, is a cosy environment suitable for less conventional meetings in small groups of up to 12 people, dedicated to innovation and technology.

The equipment of regional incubation spaces is : 1 adjustable table, 2 office tables, 13 office chairs, 5 armchairs, 1 conference table, 3 white boards, 1 trainer kit, 1 projector screen
